Please take time to review the National Association of HUC web site.  www.nahuc.org

The National Association of Health Unit Coordinators, Inc., is dedicated to promoting health unit coordinating as a profession through education and certification, complying with the NAHUC Standards of Practice, Standards of Education and Code of Ethics.

NAHUC VISION
To become nationally recognized as the standard of excellence in the provision of education and certification for the health unit coordinator profession within the health care industry.

NAHUC CORE VALUES

- Membership
- Education
- Certification
- Stewardship

NAHUC Objectives
Promote recognition of health unit coordinators as professionals with skills and expertise in their chosen field.

- Develop and present educational programs, which offer continuing education and credit (contact hours) to maintain and increase the coordinator’s knowledge and area of expertise.

- Increase membership, thereby strengthening our association to accomplish its goals.

- Develop and maintain accreditation essentials and guidelines for educational programs.

- Promote certification and recertification.

- Encourage development of health unit coordinating programs in local colleges.

- Provide information to prospective health unit coordinating students.

- Serve as the official representative of health unit coordinators to allied health professionals, government and educational facilities, and the community.

- Encourage the ONET (Occupational Information Network, administered by the U.S. Department of Labor Employment and Training Administration) to accept the name of “Health Unit Coordinator” as the title for our profession.
