

Short Term Certificate Grant Program

The Cincinnati State Short Term Certificate Grant Program* provides eligible students with grants of up to \$1,000 to cover tuition and fees for short term certificate programs that do not qualify for federal financial aid.

Frequently Asked Questions...

What are short term certificate programs?

- Typically take less than one year to complete.
- Provide skills needed to get started in a new career or earn a promotion.
- Often include classes that earn college credit and provide a start to earning an associate degree.

Who is eligible?

- You must be an Ohio resident and show a valid ID (driver's license, state ID card, or passport)
- You must meet qualifications for financial need based on federal guidelines.
- If you are currently enrolled in an associate degree program that includes certificates as part of the degree, you are not eligible for the Short Term Certificate Grant.
