

## **Student Meal Plan Guidelines – Clifton Campus**

Students may choose one of three options for food purchases at Bakery Hill and the Overlook Café, using your Surge Card (student ID card):

- Meal Plan 1 - \$100 per semester
- Meal Plan 2 - \$200 per semester
- Meal Plan 3 - \$300 per semester

**Financial aid funds may be used for a Meal Plan if eligible**, and if funds are available AFTER tuition and fees are paid for the semester. Check with a Financial Aid advisor to learn more.

- If you purchase a Meal Plan and your financial aid doesn't cover the full amount, you will be billed for the remainder.

### **How the Meal Plan works:**

- To add Meal Plan funds to your SurgeCard, go to MyServices for Students > Meal Plans.
- Choose a Meal Plan option (\$100, \$200, or \$300 per semester).
- Meal Plan funds are available starting on the first day of the semester (if Plan is purchased before semester begins).
  - If a Plan is purchased after the semester begins, funds are available two hours after the purchase is completed.
- To use your Meal Plan funds at Bakery Hill and the Overlook Café, you will swipe your Surge Card.
- All Meal Plan purchases receive a 5% discount from the regular price.
- As you use funds, the Meal Plan balance on your Surge Card will decline.
- The Meal Plan is not refundable after the semester starts.
- At the end of the semester, unused funds will NOT be refunded or applied to a future semester. Students must purchase a new Meal Plan each semester.
