Medical Assistant Certificate

About the Program

The Medical Assistant Certificate Program prepares students to work in physician's offices and other outpatient/ambulatory care centers performing administrative tasks, patient care, and managing the medical facility. Medical Assistants are multi-competent, multi-skilled professionals who perform a variety of tasks in the medical setting. As a Medical Assistant, the professional must keep up with changes in healthcare and medical practice organizations. The complexity of a modern medical practice requires skilled individuals competent in both administrative and clerical duties.

Accreditation

The Cincinnati State Technical and Community College, Medical Assisting Certificate Program (*Clifton Campus*) located at 3520 Central Parkway Cincinnati, Ohio 45223 is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB). Commission on Accreditation of Allied Health Education Programs, 1361 Park Street, Clearwater, Florida 33756

Starting Salaries

Approximately \$15.00-\$17.00 per hour

Admission to the Program

You may enroll in the program if you are a graduate of an accredited high school or have evidence of high school equivalency by GED scores. In addition to meeting the requirements for admission to the college, you must meet the prerequisite requirements for the Medical Assistant Certificate program.

Prerequisite course are offered every semester, however, the program technical courses (MA-XXX) start every Fall and Spring semester. Technical courses can not be taken out of sequence. The program accepts 60 students per year.

Credentials

After completing the program, students may apply for the certification Exam (CMA) through the American Association of Medical Assistants (AAMA). <http://www.aama-ntl.org/> Or the Registration Exam (RMA) through American Medical Technologist (AMT). <https://americanmedtech.org/>

Graduation from the Certificate program is not contingent upon passing the external certification exam.
