Fall 2021 Instructions

On March 11, 2021, the U.S. Congress passed the American Rescue Plan Act of 2021 (ARP). This federal stimulus funding is the third act of federal relief in response to COVID-19, following the CARES Act and CRRSA. The ARP funding received by Cincinnati State Technical and Community College (the College) will be used to help students pay a past due balance as well as provide emergency grants.

The College is aware that the past year and a half has brought about uncertainty and difficult times for our students. To offer some relief, the College is also offering emergency grant funding to help pay for expenses such as housing, food, technology, health care, and/or child care. To receive this amount, you must complete the application process. This amount will be sent as a direct payment to you in the form of a check.

To apply for these funding opportunities (statement credit and emergency grant), you must complete the American Rescue Plan (ARP) eForm.
