\*Students are required to provide their own room/board, access to internet when not on campus, and personal electronic device (computer/laptop etc.). This cost is variable and not reported in the above calculations. **\*\*Illustration based on an approximate 3% increase annually, however fees are subject to change.** According to FASFA (Free Application for Federal Student Aid), cost of attendance is defined as total amount of attending the program, which includes tuition and fees, books, supplies, transportation, loan fees as well as fees associated with distance education.
