About Cincinnati

Cincinnati has all the charms and safety of an American small town combined with big-city amenities, affordable cost of living and a high quality of life. Along with your studies, you will enjoy this lively city's friendly vibe, sports, performing arts, outdoor recreation, both on and off the river, shopping, city tours, culture and more.

You will have the opportunity to explore and discover unmistakably Cincinnati experiences like sampling authentic Cincinnati style chili, Greaters ice cream, Red's Opening Day, Festival of Lights, Taste of Cincinnati, Krohn's Zinzinnati holiday, and more. You may even find yourself part of the largest Chicken Dance in the World at the epic festival, Oktoberfest Zinzinnati!

Cincinnati is also hub to many industries, from large fortune 500 companies to small businesses, affording you the opportunity to complete your curricular and optional practical training with companies that are leaders in their industry.

Become a CState Student

Cincinnati State Technical and Community College, known simply as Cincinnati State is "the only autonomous, comprehensive, state, two-year college in Hamilton County" as stated by the State of Ohio Department of Higher Education. Hamilton County is a geographical area located in the Southwestern corner of Ohio. Cincinnati State offers over 70 Associate degrees and 3 Bachelor's degrees. The College has modern, up-to-date technology and is invested in the preparation of students for the contemporary global workforce. For a history of the institution please see http://catalog.cincinnatistate.edu/generalinformation/history/

With an **average class size of 13**, our caring, seasoned faculty bring highly interactive, real world learning to the classroom. Cincinnati State prepares you for life after graduation and whether that is earning your Bachelor's degree, learning a new skill or starting a new career, we can help you achieve your dreams.

Experiential learning through co-op, internships or clinical rotations provides you with an advantage that will make you stand out in the job market and lead to employment offers after graduation.

We have formal **transfer** agreements with over 20 four-year institutions and credit that is accepted all over the country. You can save on tuition by completing the first two years of your bachelor's degree at Cincinnati State and then transfer. Our transfer partners offer special incentives such as transfer pathways, scholarships, and even admission to their honors program to qualified students. We also have partnerships with Wilmington College, Miami Regionals, and Mount St. Joseph University that allow you to earn your bachelor's degree onsite at our Clifton campus. The CState2NKU partnership allows you to be eligible for Northern Kentucky University student services, campus rec access, intramural sports, clubs and organizations, up to 4 courses at the CState rate, and on campus housing while earning your associate's degree.
